

Preassessment Planning Template

Directions: For each question, fill in the information for your unit. Use the planning answers to guide you as you create your preassessment.

Focus Questions	Planning Answers
1. What essential prerequisite skills do your students need in order to be successful in this unit?	
2. What upcoming new knowledge do you want to assess?	
3. What upcoming new skills do you want to assess?	
4. What upcoming understandings or concepts do you want to assess?	
5. What structure or strategy will accomplish numbers 1–4?
