

## Personal Learning Survey—Intermediate

Name: \_\_\_\_\_

1. What would designing your own learning look like for you? Would you decide what you learn? Would you determine how it is measured or graded? Explain.
2. If you could have more opportunities to design your own learning, what would you keep the same? What would you change? Explain.
3. Do you prefer working alone, with a partner, or in small groups? Explain.
4. What do you want to study in the current content that connects to something in the real world? Explain.
5. What technology tools would you like to use that support your learning? Explain.
