

## Evaluating Claim Statements and Supporting Them With Evidence

**Directions:** Three students have developed a claim to explain the figures shown below. Read each of the claims, and put a checkmark next to the student you feel has the best answer. After choosing a student's claim, read pages \_\_\_\_\_ in your textbook, and find at least two pieces of evidence to support your chosen student's claim.

**Title of Reading:** \_\_\_\_\_

**Claim 1:** \_\_\_\_\_ says

---

---

**Claim 2:** \_\_\_\_\_ says

---

---

**Claim 3:** \_\_\_\_\_ says

---

---

Place or draw a figure or figures from the textbook here.
