Self-Questioning Tool

Directions: Based on data or information your teacher has provided, use the space provided below to develop your own questions about them. (Each category offers an example of the type of question you should think of.)

Data Questions

What is the nature of the data or information we are working with?

Pattern Questions

What questions do you have that deal with patterns?

Reasoning Questions

How do the patterns (and other aspects) lead to conclusions?

Lingering Questions

What else are you wondering? Confused by?
